(Poor) 1      2      3      4      5      (Excellent)

1. Please list the date, location, and number of participants for any WOW! workshops you held in 2012. *If you did not hold a WOW! workshop this year, please skip to question #6.*
2. Which activities have been the most popular at your workshops?
3. Which activities have been the least popular?
4. Have you adapted WOW! activities to suit your needs? If so, what have you done differently?
5. Do you have any suggestions for new activities?

6. If you were unable to hold a workshop this year, what was the main limitation?
  
7. What could Environmental Concern do to make it easier to plan and facilitate WOW! workshops?
  
8. Are you a Facilitator for any other program? If so, how many other workshops did you hold in 2012?
  
9. Would you be interested in partnering with Environmental Concern to host a POW! The Planning of Wetlands workshop, Wetland Plants: Know 'em & Grow 'em, Rain Gardens: Landscaping for Water Quality, WOW! refresher course, or WOW! Facilitator training?
  
10. Other comments:

Please share any new WOW! state correlations with us so that we can post them on our website to share with other educators and send you a thank you gift. Look for state correlations on our website at [http://www.wetland.org/education\\_wow.htm](http://www.wetland.org/education_wow.htm).

- Please check here if you would like to be removed from the active WOW! Facilitator database.
