Native Plants**

Mission of Environmental Concern's Nursery:

Environmental Concern's Nursery division seeks to provide the highest quality native plant species propagated from local genotypes for the Mid-Atlantic region. We are expanding our product offerings and availability to meet customer demand. Connect with us through our no-nonsense wholesale newsletter to stay up to date with new developments during the 2016 growing season.

Now Wholesale Only:

Environmental Concern's Nursery is now wholesale to the trade only. Retail customers are welcome to attend one of our two open house events. Please join our retail email list or reach us for additional information by calling 410-745-9620.

Terms and Conditions:

Delivery/ Shipping:

Plants can be shipped either by UPS or Environmental Concern's delivery vehicles. Please contact us to work out the details. Minimum order for first time clients is \$300 dollars.

Terms:

Payment must be made on all orders at the time the order is received. Terms are available for large orders on a case by case basis.

Reserving Orders:

A 25% deposit is required to hold plants for longer than 14 days if quantities are limited. Orders held 14 days past original shipping date will be canceled unless a 25% deposit is placed.

Claims:

We certify that the plants we provide are of the highest quality. Any claims or substitutions must be made upon pickup of the material. Environmental Concern accepts no responsibility for plants once they have left our nursery. For claims of damage made during transit please contact the shipping entity.

Cumulative Discounts:

Client Discounts will now be applied cumulatively based on the total value of orders placed in a single year. As each value threshold is reached every order placed beyond that threshold will have the corresponding discount applied.

Total Orders	Discount
\$ 1,000	6%
\$ 3,000	8%
\$ 5,000	10%
\$10,000	15%
