Educational Resources

Environmental Concern Inc.

Environmental Concern promotes the public understanding and stewardship of wetlands with the goal of improving water quality and enhancing nature's habitat. This is accomplished through wetland outreach and education, native species horticulture, and the restoration, construction and enhancement of wetlands.

Our Resources are Perfect for School Groups, Nature Centers, Camps, and WOW! Facilitators Interested in Spreading the Wonders of Wetlands!

Wetland Travelling Trunks

Wetland 101 Trunk

Our lending resource is the perfect supplement for your water related curriculum. The trunk offers skulls, tracks, videos, books, Wetlands 101 PowerPoint, wetland information and more. Also included is the WOW! Wonders of Wetlands Curriculum Guide for you to keep. For rent to schools and organizations.

Age: Grades K - 6 Duration: 2 weeks
Cost: \$70 plus S & H

WOW! Activity Trunk

This lending resource is designed for educators interested in borrowing WOW! The Wonders of Wetlands Activity materials for a wetland unit or for WOW! Facilitators leading a workshop. Trunk includes material sets of ready-to-use WOW! activities to lead over 17 of our most popular activities including *Wetland in a Pan*, *Do You Dig Wetland Soil?*, *Wetland Habitats* and more. For rent to WOW! Facilitators, schools or organizations.

Age: Kindergarten - Adults Duration: 1 week
Cost: \$50 plus S & H

WOW! Facilitator Kits

Wish you had WOW! activity materials, but don't have the time to make them? Let EC make your favorite WOW! Activity Kits for you. 12 different kits are available. Each includes all the necessary materials for up to 30 participants. Kits can be used again and again. Kit descriptions can be found at www.wetland.org.

Age: Students - Adults
Cost: \$15-\$30 (varies per kit) plus S & H

Educational Wetland CDs

Wetlands 101 CD for Kids

This CD is a great resource for busy teachers who would like a pre-made presentation to help teach their students about the wonderful world of wetlands. The CD includes a PowerPoint to help answer your students' wetland questions, as well as an additional file of teacher notes to facilitate a more in-depth wetland discussion.

Age: Elementary level
Cost: \$7.00 plus S & H

WOW Facilitator CD:

If you are limited in time or having trouble creating your own WOW! workshop presentation, EC can save you time with a copy of our workshop presentation and helpful hints to execute a fantastic workshop for your community.

Age: Available only to EC trained WOW! Facilitators.
Cost: \$7.00 plus S & H

WOW! Student Activity Page CD

Have all of the WOW! Activity Pages available without having to wrestle with copying pages from the book. This CD is filled with digital copies of all the student pages from the WOW! The Wonders of Wetlands curriculum guide.

Age: Educators
Cost: \$6.00 plus S & H

Custom Educational Materials

Are there other Wetland Resources you wish you had? Let us know about it! We can create custom wetland programs and resources to help fit your wetland education needs for all ages. Contact us today!

Write On! Wetlands Challenge Books

Build your wetland library while creating wetland stewards at the same time! Each year, EC sponsors the national Write On! Wetlands Challenge - a literary and arts competition that challenges youth to write and illustrate a children's book about wetlands. Write-On! books are available as the perfect supplement to elementary wetland units. Take your students through the imagination of their peers while learning all the amazing wonders of wetlands! For more information on participating in the challenge and the various books please visit www.wetland.org.

Age: Grades K-6

Cost: \$7 ea. (discount for complete set) plus S & H

Wetland Charm Kits

This wetlands activity for elementary students uses charm ingredients to represent the key components and functions of a wetland. Charms are made with special glitter confetti and discussed by students, challenging them to make connections to wetlands. Charm kits come with instructions, talking points and materials to create a wetland necklace for 25 participants.

Age: Elementary level
Cost: \$7.00 ea. plus S & H

Wetlands on Wheels Mobile Classroom

Wetland on Wheels is fully equipped to bring wetland education to your school or site. The mobile classroom travels to Eastern MD and Delmarva schools to present fun, hands-on, and academically challenging wetland education programs. Our programs are designed to compliment your classroom curriculum.

Age: Grades K - 6
Cost: \$200/day & Hauling fee (min. 3 days)

More details on all products are available at www.wetland.org. To purchase or rent materials or for more information on programs, contact the Education Dept. at 410.745.9620 or dir.educate@wetland.org.
